HONOURING  
SHAPING  
TREASURING

**THE**

PAST  
FUTURE  
PRESENT

## Message from Chairman Organizing Committee

On behalf of Pakistan Cardiac Society, I cordially invite you to the vibrant & historically rich city of Multan (the city of saints), where we are holding 48<sup>th</sup> Conference of Pakistan Cardiac Society "Cardiocon" on November 23<sup>rd</sup>- 25<sup>th</sup>, 2018 at Nishtar Hospital & Medical College, Multan, Pakistan.

The theme of this year conference will be

**"Honoring the past, Treasuring the present, Shaping the future"**

With this theme as a guiding principle, the conference will have several sessions on research. State of the art lectures will be delivered and most up-to-the-minute information regarding Cardiology and its subspecialties will be presented by leading national and international speakers.

It is expected that the conference will attract approximately 2000 delegates from Pakistan and many parts of the world.

Participants will have the opportunity to adulate their knowledge and to meet & interact with leading subject specialists and researchers in the fields of Cardiology.

Multan is a vivacious city, well-known for its Antiquity and Cultural Heritage. In addition to the great scientific program, participants will be able to enjoy the inspiring sights, delicious foodstuffs, and exceptional atmosphere of this exquisite city.

I hope you will join us for a great conference of outstanding science, and take a little extra time to enjoy the unique splendor of Multan.

With profound regards,

**Prof. Haroon A.Khan  
Baber**  
Convener

**Dr. Abubakr Ali Saad**  
Secretary

**2018 Multan**

## About Multan:

Multan is Located on the banks of the Chenab River, it is Pakistan's seventh most populous city and is the major cultural and economic center of Southern Punjab.

Multan's history stretches deep into antiquity. The ancient city was site of the renowned Multan Sun Temple, and was besieged by Alexander the Great during the Mallian Campaign. Multan was one of the most important trading canthers of medieval Islamic India, and attracted a multitude of Sufi mystics in the 11<sup>th</sup> and 12<sup>th</sup> centuries, earning the city the nickname City of Saints. The city, along with the nearby city of Uch, is renowned for its large collection of Sufi shrines dating from that era.

**Connectivity:** Multan International Airport is located 10 km west of Multan's city center, in the Multan Cantonment. The airport offers flights throughout Pakistan, as well as to the Persian Gulf States. Multan is connected by railway track with all parts of the country and lies on the main track between Karachi, Peshawar, Lahore and Quetta. Multan is also connected with all cities of the country by bus via GT road and motorways.

**Accommodation:** Multan has number of accommodations to cater different classes of the visitors ranging from the elite hotels to the low cost budget hotels.

- **Rmada Hotel**
- **Avari Xpress**
- **Hotel One**
- **Sindbad**
- **Shiza Inn etc.**

**Conference Venue:** Nishtar Medical College & Hospital is among the most prestigious educational institutes in Southern Punjab. Formed in 1951, is the 3<sup>rd</sup> oldest medical institution of Pakistan.

Nishtar Medical College has a large, well equipped auditorium to cater more than 500 participants at a time and possess large spaces for pharma exhibition & banquet activities.

**Climate:** Multan features an arid climate with very hot summers and mild winters. The average annual precipitations 186 millimetres (7.3 in).

Multan is known for having some of the hottest weather in the Pakistan. The highest recorded temperature is approximately 52 °C (126 °F), and the lowest recorded temperature is -1 °C (30 °F)
